Completing H-1B Employment at UCSF

The sponsoring department must notify ISSO of the completion of an H-1B holder's employment by completing and sending ISSO the completion/Termination Form¹ which can be downloaded from the ISSO website at: [ISSO Program Completion Form](#) [1]

If the approved H-1B position is terminated due to loss of grant funding, or for any other reason, and the scholar has not transferred to another employer in H-1B status or changed or another status, the department is obligated to reimburse the scholar for the costs of return transportation to his/her home country.
